AN APPEAL

"The Assam Association, Mumbai" is a non-governmental and non-profit making organization and an association of Assamese people primarily involving in socio- cultural activities, promoting art, culture and literature of Assam and North East India, cultural exchange between Maharashtra and Assam, with a view of building a fabric of communal harmony and strengthening national integration and helping cancer patients in various forms like providing financial support for needy ones and other related matters.

The history of the Assam Association, Mumbai, (AAM) although goes back to pre independence period, it was formally registered under Societies Registration Act, 1860, Maharashtra in 1991.

We, although is a very old organization with a large and ever-increasing Assamese population in Mumbai do not have any Socio-Cultural centre in Greater Mumbai. At present, The Assam Association, Mumbai is carrying out such activities with great difficulties with the help of Assam Bhawan. Therefore, we wish to have a permanent centre in Greater Mumbai which will primarily have following facilities besides other activities:-

- 1. Centre for training of youths and children on Culture, Heritage, Language, Literature, Dance and Music of Assam and North East.**
- 2. Library**
- 3. Museum**
- 4. Auditorium**
- 5. Temporary accommodation for young generation as a stepping stone to Mumbai who comes for education/higher studies.**

We are proposing to build a Socio – Cultural Centre in Mumbai named as "Assam Regional Cultural Centre" at an estimated cost of Rs.5.0 crore including the cost of land and its development. The centre will be a four story building with all the amenities for the above activities in a plot of approx. 1000 sq. meter area. The project will commence On 2011 and expected to complete by 2014.

We have applied to CIDCO for allotment of land in Navi Mumbai for this purpose. Please find enclosed the sketch of the proposed building. In case of delay or non allotment of land by CIDCO, we will look for alternate source of land.

We request you through this appeal to contribute generously with financial or through any other means to build this centre and to meet this noble objective of making people from Assam and NE region having a feeling of **AT HOME** away from home.

Kindly note that the Assam Association, Mumbai already have a corpus of fund of above 4 lacs which is being used exclusively to help needy cancer patient coming to Mumbai from Assam and other NE Region for treatment. Ten percent of our collection against this appeal will be deposited to this corpus fund for exclusive use for providing financial help to the needy patients.

We look forward to your generosity for this noble cause.
Your help may turn to be blessings from God for someone.

THANK YOU
